

Pro Mixed Round Brush, S-41

Coverage and precision when cutting in

The ideal brush for those who are looking for both coverage and precision when cutting in, thanks to the combination of fibres and natural bristles.

Precise cut-ins

The rounded shape has been crafted by the best artisans in Spain.

Coverage and finish

Mix of synthetic PBT plus fibres and natural bristles, which provide a precise finish and increase the amount of paint that can be loaded.

Handle with a hook

You can easily put the brush down without changing its shape

Designed to last

Stainless steel ferrule
