

Bi-material Handle Stainless Steel Putty Knife Kit

The must-have kit

A must-have kit for professionals, premium stainless steel putty knives with the finest details, made for you in Albacete, Spain.

INOX

1 multifunction 7 cm scraper

Multifunction to meet all your needs

1 15 cm putty knife for plasterboard with a screwdriver

The ideal choice for achieving a fine finish with filler, and with a screw bit to make your work easier.

1 8 cm stucco putty knife

An essential for working with very fine stuccos or plasters that can be damaged by sharp tips.

1 6 cm and 9 cm putty knife

Crafted to the quality levels you need for your daily work.

Levelling putty knife

The flexibility you need to achieve a precise, smooth finish.
